RE: Riley v. The Delaware River and Bay Authority, et al.
C.A. No.: 05-746
Our File No.: RILRO-3

Dear Judge Thyng:

As Your Honor is aware, I represent Ronald Riley in the above-captioned matter. Please be advised that plaintiff has responded to defendant's interrogatories and requests for production and the plaintiff was deposed on December 6, 2007. Plaintiff filed interrogatories and a request for production upon defendant and, by agreement of the parties, defendant will respond to this discovery on or before January 18, 2008. The plaintiff has received correspondence from defense counsel regarding alleged deficiencies and/or requests that plaintiff's discovery responses be supplemented. The parties have been attempting to amicably resolve this discovery issue. To that extent, plaintiff provided a supplemental response to request for production to defense counsel on Wednesday, January 9, 2008 by hand delivery. Plaintiff expects that the supplemental responses will address the issues raised by defense counsel. Plaintiff anticipates noticing depositions of defendant's representatives upon receipt and review of defendant's answers to interrogatories.

Respectfully submitted,

JAMES P. HALL
